#### Cherry Valley Sewer District Annual Meeting May 24, 2012

#### COMMISSIONERS REPORT

To the people of the Cherry Valley Sewer District:

Greetings:

Your Board of Sewer Commissioners respectfully submits their Annual Report for the fiscal year ending June 30, 2012.

The Commissioners are pleased to report that 396 homes have connected to the sewer system.

In accordance with Year 3 of the five (5) year Infiltration and Inflow (I/I) Control Plan, Tata & Howard conducted system wide smoke testing, prepared and submitted a report detailing the results and have prepared plans, specifications and bid documents for the repair and rehabilitation of manhole structures and sewer lines identified in the smoke test survey. The bids are scheduled to open on May 16, 2012.

Delinquent sewer user fees continue to be a concern of the District. The Commissioners view this trend as a burden on the District's finances. This trend along with the increasingly stringent requirements imposed by regulators without funding assistance will push our sewer rates higher in the near future, possibly in FY2014. Previously, the District qualified and received funding to offset sewer rates via the Sewer Rate Relief Grant from the Massachusetts Department of Environmental Protection. Unfortunately, this program has not been funded in recent years. However, the District did receive \$439.00 for FY2012, which is minimal compared to prior years.

Several notes of appreciation are in order;

Ms. Carla Davis our Office Administrator has performed her duties with the utmost efficiency and professionalism. Thank you, Carla.

Mr. John Graham, District Treasurer has done a most commendable job for the District this past year. Thank you, John.

Also, Leicester Highway Department, Board of Selectmen, Leicester Police and Fire Departments, City of Worcester D.P.W. and the Cherry Valley and Rochdale Water District.

Respectfully submitted,

Donald G. Manseau, Chairman Victor M. Taylor, Commissioner Michael L. Della Cava, Sr., Commissioner
