ESTIMATED BILLS: If a meter fails to record water consumption, the customer may be issued an estimated bill, based on the historical water consumption as recorded by the meter when in order.

DUE DATE/LATE FEE: All payments are due payable on the 15th of each month. After the 15th of the month, the customer is charged \$5.00 penalty per service.

PAST DUE ACCOUNTS: Current bills are considered to be past due after the due date. Past due accounts are subject to termination of water service. All past due bills are considered to be delinquent and appear hereon as a second notice.

SERVICE TERMINATIONS: If water service is terminated, a reconnection fee will be charged prior to restoring service. Additionally, it is the right of the District to charge a demand fee to any customer receiving demand notices.

NO DISCOUNTS: Both Water and Sewer Districts are small districts funded by you, the rate payers. Allowing discounts would be an additional cost burden to the remaining rate payers who would not qualify for a discount. Therefore, no discounts are available.
